Current Position:

Professor, Department of Anthropology
 Director, Sustainable Human Ecosystems Laboratory

Academic Degrees:

1976 Ph.D. University of Oklahoma - Anthropology.
 1968 M.S. University of Hawaii/East West Center - Sociology.
 1966 B.S. Oklahoma State University - Sociology/Agriculture

Additional Formal Education:

1993 NSF Summer Institute of Comparative Anthropological Research, Univ. of California-Irvine.
 1971 Black Studies Institute. Summer. University of Louisville. Louisville, Kentucky.
 1969 Anthropology Institute for Teachers. Summer. Department of Anthropology, Univ. of Colorado. Boulder, Colorado.
 1967 University of Philippines. East-West Center Year Abroad. College of Agriculture. Los Baños, Philippines.

Employment History (National & International):

1991- University of Georgia. Professor of Anthropology.
 1988-91 University of Philippines-Los Banos. Visiting Professor.
 1987-91 Regional Office of International Potato Center, Asia with base in Philippines. Senior Social Scientist.
 1986-87 University of Arizona. Visiting Scholar (sabbatical) in Anthropology.

- 1979-87 International Potato Center, Lima, Peru. Lima, Peru. Senior Anthropologist and Leader Food Systems Research.
- 1978-79 University of Arizona. Research Associate in Agricultural Economics and P.I. of migration project.
- 1977-78 University of Kansas. Adjunct Assistant Professor of Anthropology; P.I. of Rockefeller Foundation Grant on Migration and Development Research.
- 1976-77 Truman University, Kirksville, MO (formerly Northeast Missouri State University). Assistant Professor of Anthropology.
- 1968-76 Phillips University. Assistant and Associate Professor of Sociology (tenured 1974).
- 1972 University of Maryland, European Division (Stuttgart, Federal Republic of Germany). Lecturer, Spring 1972.
- 1966-67 International Rice Research Institute/University of Philippines. East-West Graduate Student
- 1962-64 United States Peace Corps (Nepal I)

Administrative Experience:

- 1994 - Program Manager. Sustainable Agriculture and Natural Resource Management (SANREM)-Andean Program. Research manager of a US university consortium (University of Georgia, Auburn University, Iowa State University) for conducting research in the Andean region and a domestic research component in US watersheds. Funding level: \$2.5 million (1993-2003).
- 1993 - Director. Sustainable Human Ecosystems Laboratory, University of Georgia. Established by the Vice President of Research at the UGA, this GIS and computer technology facility conducts interdisciplinary research and training on natural resource decision-making in the context of global change. Present level of annual extramural funding exceeds \$1,000,000. Environmental System Research, Inc. (ESRI) Certified for teaching GI
- 1991-96 Head. Department of Anthropology, University of Georgia. Charged with rebuilding department into a quality, nationally-recognized theoretical and applied program focused on ecological and environmental anthropology. Achievements: seven new faculty added, the number of undergraduate majors tripled, a high demand Ph.D. Program established, five new laboratories built and funded, and extramural funding increased tenfold.

- 1988-91 Coordinator. Social Sciences in Asia and South Pacific and UPWARD Network (User's Perspective with Agriculture Research and Development). Centro Internacional de la Papa (CIP). Responsibilities: Establishment and Coordination of a major interdisciplinary research network in Asia and South Pacific countries.
- 1985-88 Leader. Food Systems Research Program. International Potato Center (CIP). Responsible for management of international interdisciplinary research projects involving 10 biological and social scientists with their support staff.
- 1984-85 Acting Head. Social Science Department. Centro Internacional de la Papa. (Full-Time Appointment).
- 1982-88 Co-Leader. Post-Harvest Technology and Management Program. Centro Internacional de la Papa, Lima, Peru.

Distinguished Fellowships:

- 2003 Fulbright Scholar, Catholic University, Quito, Ecuador.
- 1997- Fellow. Institute for Behavioral Research. University of Georgia.
- 1996- Senior Research Fellow. International Centre for Integrated Mountain Development Kathmandu, Nepal.
- 1979-81 Rockefeller Foundation Research Fellowship in Agricultural Development. International Potato Center, Lima, Peru.
- 1978-79 National Science Foundation National Needs Postdoctoral, University of Arizona. Research on Application of German Guest Worker Model to U.S. Immigration.
- 1966-67 East-West Center Fellowship. University of Hawaii, Honolulu, Hawaii.
